

Presentation to the Ferry Shipping Summit 2018

Spiros Paschalis

CEO Attica Group

Possibilities, solutions and challenges for the Ferry shipping industry: The road to 2020

- Tackle the 2020 new Sulphur cap, learn the new environmentally friendly fuels, contribute to development of small scale LNG supply chain
- Enhance Digital Customer Experience
- Apply data driven decisions throughout the company
- Maximize Staff's commitment to Company's culture and KPIs

THANK YOU
